Subject: Vote to Rescind LaBonge "gifting" motions and return discretionary funds to Council District 4

Dear City Council Members,

As you are aware, days before he left office former Council Member Tom LaBonge gifted \$600,000 in discretionary funds of our tax payer money to organizations mostly out of district 4. He did so without consulting Council Member elect David Ryu. The majority of the giving brings up ethical questions to us voters on why each organization should have been on his list in the first place, especially since LaBonge is being investigated according to the Los Feliz Ledger for in part funding the Sister Cities charity operated out of his own City Council offices with discretionary funding. Many activists and constituents raise opinion and question that this giving may include unethical and highly questionable practices. If you vote to honor LaBonge's gifting on Tuesday instead of rescinding the gifts and returning this money to the C4 discretionary fund, that vote deserves to be as public as public can be. We want transparency in all our City Council Offices. Please vote rescind the LaBonge's motion and to support your fellow Council Member David Ryu.

Sincerely,

Cindy Chvatal
